Established in 1857, **Dunbar Elementary School** serves over 200
students at its pastoral setting amongst the oak trees in Glen Ellen,
California. Its rich history and small tight-knit student body, nurtured by
staff and parents, help make Dunbar a special place.

Friends of Dunbar School (FODS) is a non-profit organization
that was founded in 2001. All funds raised by FODS go to Dunbar
and its students to fund not only student enrichment programs, but
core school services, including:

- Classroom aides (positions that would otherwise go unfunded)
- Dunbar's art and theater programs
- Lunchtime sports program
- Library books, classroom supplies
- School learning garden
- Enrichment programs, including poetry, field trips and student assemblies
- Facilities – play equipment, lunchroom tables, campus benches
